

Note: The Waste Management Team handles waste and recycling for both the GRC in Cleveland and Plum Brook facilities in Sandusky, Ohio. To recycle the following items, please complete a Waste Disposal Request (NASA C260a). If you have any questions, please call 3-2124.

Battery Recycling

All spent batteries are collected by the Waste Management Team and sorted by type: alkalyne, metal halides, lithium/NiCads. The Team then sends them to a recycler who breaks down end caps and materials for reuse.
